Dear Ms. Reilly:

Enclosed please find the proposed Record on Appeal in your case. Last August I wrote you to ask who your attorney was, but, I received no answer, so I am sending the Record to you for your approval. The Public Defender and Mary Lou Schloss have already approved the record.

If you find the Record complete, please sign the enclosed Stipulation Waiving Certification and return it to me. If I do not receive the Stipulation or any corections/deletions/additions, by July 19, 1989, I will submit the Record pursuant to CPLR 5525 subd c (2).

One last thing, I spoke to Nikki Craft a few weeks ago. She called to give me her new address. She said you would have an address for Lynn Zicari. Would you either call me (428-5779) or send it along with the Stipulation so that we may send her a copy of the Record.

Thank you for your prompt attention to this matter.

Very truly yours,

Elizabeth Clifford
